FEATURED BOARD MEMBER'S MESSAGE

Cindy Cronk Vukovic, PP - Fine Art Executive Administrator - ASA LA Chapter

Programs and Opportunities in 2022

This is a great way to introduce myself to all the chapter members who may not know me or recognize my name from the emails the chapter sends out. I am a candidate member and first joined the Los Angeles Chapter Board as the Social Media Coordinator in 2013, when Analee McClellan was President. I went on to serve several years as the Personal Property Chair where I had the satisfaction of creating some fantastic programs including the FBI Art Crime Discussions, Getty Conservation Labs Tour, Picasso lecture with Tony Perricone (thanks to Xilary Twill for coordinating), lithograph making class and PP courses at the Huntington, to name a few. When we were able to meet in person, I coordinated some wonderful holiday gatherings, which makes me feel nostalgic for in-person events, and I look forward to the day when we will gather together again.

After DeborahAnn Marshall retired, I took on the role of Executive Administrator during unprecedented times in the middle of a pandemic. Seeing the need to go virtual, this is when the chapter pivoted to Zoom events and board meetings, which has made it more convenient than ever to attend chapter functions. If you haven't joined us virtually for one of the many programs we have already presented, I encourage you to check them out. Many of them are free and offer CE credits. We do not require you to have your video turned on, but encourage questions and participation.

I also want to take this time to inform Candidate members that they can be on the Board, serve on Committees, be Discipline Chairs, or even President (with two years active service). Now is the time to get involved! You may be reading this and thinking of programs you would like to have presented or changes you would like to see happen. Let us know! We are here for you and want as many members involved as possible.

ASA LA Virtual Happy Hour Conversation: Counterfeits in Appraisal Practice March 16th, 4:30pm - 6:00pm

Join the Los Angeles Chapter over Zoom as we welcome esteemed fellow appraisers William Edgerton, Gina D'Onofrio, and Richard Hart to discuss their own encounters with counterfeits and issues of authenticity in their respective fields: wine, jewelry and aircraft. There will be time for questions along with the opportunity to share your own accounts.
