PRESIDENT'S MESSAGE

I would like to welcome you to our 2012-2013 term. Your board met on August 18th to begin planning events for the year. We welcomed new members to the board, Carol Krieks, as Gems & Jewelry Vice-Chair and Dan Wheeler, as MTS Vice-Chair. Rejoining us are Dennis Webb for major events, and Doug Nason as Education Chair. Also joining us will be Gazelle Wichner as newsletter editor. DeborahAnn Marshall, our Executive Administrator joined us via Skype.

I hope to employ new technologies this year to improve efficiency and help to keep down the costs of operating the chapter. I would like to continue and expand services you receive as a chapter member. Some of these are going to require a little effort on your part. Our website has been functioning for a couple of years. Many members are using it actively to make reservations for events, as well as promoting their businesses on our members' pages, <http://www.appraisersla.com/?a=memberpages>. By using the website to make your reservations, you save the chapter administrative costs, and have the immediacy of a written receipt. This requires that you register and receive an authentication email with a link to complete the process. It takes only a couple minutes and you only have to register once. Once you are registered, you will set your own password and have access to the Members Only pages. If you haven't registered yet, please do so. If you have any difficulty with registration contact DeborahAnn.

Your current registration on the website allows the chapter to contact you about possible jobs that are referred to us from various sources. Login to your account on the website, and make sure your information is up to date.

<http://www.appraisersla.com/?a=login>

Forward any changes to DeborahAnn dmarshall@appraisersla.com. We update our data files every other month with information received from ASA national. So, if you make changes to your contact information in the future, you should login to national's site and update your contact information so it will be passed on to the local chapter. If you could also include your USPAP due date, then we can be more efficient in planning USPAP courses for our chapter members.

Help the chapter to provide the services you need. Your discipline chair's contact information as well as mine are on the last page of the newsletter. Let us know your ideas!

Regards, Paul

Paul E. Drooks, ASA

WHAT YOU MISSED...

By Brooks Rice, ASA-LA Personal Property Chair

On July 31, 2012, the Los Angeles Chapter of the ASA hosted a well-received event at the Pasadena Museum of History, *Authentication and the Art Market: What Appraisers and Collectors Should Know*. The event featured speakers Debra Burchett-Lere, acting president and director of the Sam Francis Foundation and Christine Steiner, Art Attorney at Sheppard Mullin Richter & Hampton LLP.

Ms. Steiner's presentation focused on issues involving artists' foundations, authentication, the legal environment, and the recent disbanding of several artists' authentication boards due to costly lawsuits – including the 2011 disbanding of the Andy Warhol Art Authentication Board and the future

disbanding of the Jean-Michel Basquiat Authentication Committee in September 2012. Ms. Burchett-Lere spoke about artist Sam Francis and the Foundation, the recent publication of the artists' catalogue raisonné, keeping catalogue raisonnés current for all artists, the function of artists' foundations, authentication, and the influence and impact these issues have had on the art market. The topics discussed were timely and were of great interest to the appraisers, collectors and other professionals in the art world who attended the event. Due to the popularity of the program, the speakers presented to a nearly sold out room with overflow seating.
