October 2013

Dear Colleagues,

The Los Angeles Chapter of the American Society of Appraisers has a long history of leadership in the appraisal profession, dating back to 1936. Today, the Los Angeles Chapter services the largest chapter membership within the society. The chapter is devoted to providing its multidisciplinary members not only education, networking, social and business opportunities, but also government advocacy affecting all appraisal specialists at the state and local levels.

The Chapter was recently honored with acknowledgement of this continued excellence by the ASA, receiving the 2012–13 award for *Best Chapter Newsletter* and the 2012–13 ASA award for *Best Chapter Website*, under President Paul Dooks. The Chapter's achievement will be recognized at ASA's upcoming International Conference, during the Lunch and International Awards Presentation scheduled from 12:05 pm to 1:30 p.m. on Monday, October 14, 2013 at the Marriott River Center in San Antonio, TX. If you are in attendance, we ask you to join us in celebrating our chapter's achievements.
